
Title: Robert Kingsley Papers
Date Span: 1958–1993
Extent: 6.5 linear feet; 7 boxes
Language(s): English

Description: The Robert Kingsley Papers include correspondence, reports, manuscripts, sketches, blueprints, photographs, slides, negatives, administrative documents, exhibition boards, newspaper clippings, and magazine and journal articles. The bulk of the material was created or collected by Robert Kingsley. These papers offer significant and unique information about the career of Robert Kingsley and architecture in Louisville during the period 1971–1993, with the greater part of the records spanning 1971–1986.
